GLOBAL HARMONY DAY AT **GLOBAL indian™** INTERNATIONAL SCHOOL

Diwali calls for celebration and shopping for festive attire. Models, Messiah and Minde wear stunning ensembles from Mumbai Se to celebrate the Festival of Lights at Clarke Quay, Singapore.

At Theatreworks, a bevy of models show off Rashmi Gogna's shimmering collection in ivory whites, coppers and turquoises, celebrating the elements of Pure Earth. Pure Earth is also the name of this award-winning designer's outlets in Holland Village and Tanglin Mall.

An Indian resident in Singapore, Gogna has been in the fashion and apparel industry for the past 15 years and last year won the Spirit of Enterprise Awards in the entrepreneurial category.
